After her best friend is jilted at the altar, maid of honor

Book Review: Our Last First Kiss (Heartbreak Hotel Book 1

Our Last First Kiss had all my emotions involved it. I laughed, I cried, I yelled, and I wanted to wanted to strangle some character and hug others. This is just a great all around book. Healing and learning to live your life on your own terms with inspiration and emotional support. Did I say it made me cry? Kleenex required. 5+ stars.
