

political legitimacy in southeast pdf

In social science and politics, power is the capacity of an individual to influence the conduct (behaviour) of others. The term "authority" is often used for power that is perceived as legitimate by the social structure.

Power (social and political) - Wikipedia

Training. The TNP receives two categories of training, the first being in-service training provided by the Department of Education operating directly under the General Directorate of Security; whereas pre-profession training is provided by the Police Academy.

General Directorate of Security (Turkey) - Wikipedia

Anti-Corruption: The Global Fight is a new handbook from IIP Publications that outlines the kinds of corruption, their effects, and the ways that people and governments combat corruption through legislative and civil society actions.

IIP Publications

political commentators believe that traditional societies are being transformed into modern societies with traditional features destined for oblivion. Problems encountered are assumed to be consequences of this shift to modernity
