Global Market Power - janeeckhout.com

Economic power imbalances can be addressed through South-South economic cooperation and Southern solidarity in global negotiations to reform the international development architecture.

Power Imbalances and Development Knowledge - OECD.org

there are vast disparities in power and influence among states, intergovernmental organizations (IGOs), TNCs, and international NGOs. Consequently, today's world is governed by an indistinct patchwork of authority that is as diffuse as it is contingent. In particular, the IGOs that collectively underpin global governance are not only insufficient in number but are inadequately resourced ...
